PART-II

- NOTE:** (i) Part-II is to be attempted on the separate Answer Book.
 (ii) Attempt ONLY FOUR questions from PART-II. ALL questions carry EQUAL marks.
 (iii) All the parts (if any) of each Question must be attempted at one place instead of at different places.
 (iv) Write Q. No. in the Answer Book in accordance with Q. No. in the Q.Paper.
 (v) No Page/Space be left blank between the answers. All the blank pages of Answer Book must be crossed.
 (vi) Extra attempt of any question or any part of the question will not be considered.

- Q. No.2.** Critically analyze the remedies available for the breach of contract under the Contract Act, 1872. In your analysis, discuss the role of compensatory damages, the limits of specific performance and the challenges faced in enforcing contracts in Pakistan's legal and business environment. How does the principle of anticipatory breach apply in Pakistan, and what challenges might arise in proving such a breach in the local courts? (20)
- Q. No.3.** Critically analyze the concept of implied authority of a partner and the doctrine of holding out under the Partnership Act, 1932. In your analysis, discuss how the implied authority of a partner to bind the firm in transactions, even those beyond the express agreement, impacts the liability of partners in a partnership. How does the doctrine of holding out protect third parties, and what are the potential challenges in applying this doctrine in modern business practices? (20)
- Q. No.4.** Critically analyze the special rules of evidence under the Negotiable Instruments Act, 1881, with particular reference to the presumption of validity and the burden of proof in cases involving negotiable instruments like promissory notes and cheques. How do these provisions impact the rights of the drawer, holder, and endorser in cases of dishonor or dispute? (20)
- Q. No.5.** Critically analyze the provisions related to the transfer of shares under the Companies Act, 2017, particularly focusing on the restrictions and procedures for the transfer of shares in private companies. How do the provisions balance the interests of the company, the shareholders, and third parties in ensuring that share transfers are both fair and efficient? Evaluate the challenges faced by shareholders in the transfer process, especially in light of the legal requirements for board approval and the pre-emption rights of existing shareholders. (20)

MERCANTILE LAW

- Q. No.6.** Critically analyze the legal framework governing contracts between consumers and providers under the Consumer Protection Act, 2006. How does the Act ensure that consumer rights are protected in contracts, particularly with regard to the provisions on misrepresentation, defective goods, and unfair trade practices? Evaluate the effectiveness of the Act in addressing power imbalances between consumers and providers, especially in cases of standard form contracts where consumers have limited bargaining power. Does the Act provide adequate remedies for consumers in case of breach of contract, and how do these provisions influence the behavior of businesses in terms of compliance and consumer satisfaction? **(20)**
- Q. No.7.** "With the rise of digital communication and e-commerce, the Electronic Transactions Ordinance, 2002 has played a crucial role in shaping the legal landscape of electronic contracts and digital signatures in Pakistan." Discuss the key provisions of the Electronic Transactions Ordinance 2002, focusing on the legal recognition of electronic records and signatures, as well as the role of certification authorities. Critically evaluate the effectiveness of this Ordinance in addressing issues of security, authenticity, and reliability in digital transactions. What challenges remain in its enforcement, particularly in the context of Pakistan's evolving digital economy? **(20)**
- Q. No.8.** "The Competition Act, 2010 seeks to promote fair competition in Pakistan by prohibiting and regulating abusive marketing practices that can distort market dynamics and harm consumer welfare." Discuss the provisions related to the prohibition of deceptive marketing practices and abuse of marketing practices under the Competition Act 2010. Critically evaluate the role of the Competition Commission of Pakistan (CCP) in enforcing these provisions and ensuring compliance. What are the challenges in curbing deceptive marketing practices in Pakistan, and how might regulatory enforcement be improved to promote fair competition and protect consumers in both traditional and digital markets? **(20)**
